

2026

Clement Pouget-Osmont

Healthcare Marketing Director

Services presentation

Not an agency

An extra team member

Embedded strategic leadership. No overhead. No onboarding lag. Just results.

My Experiences with diverse healthcare targets:

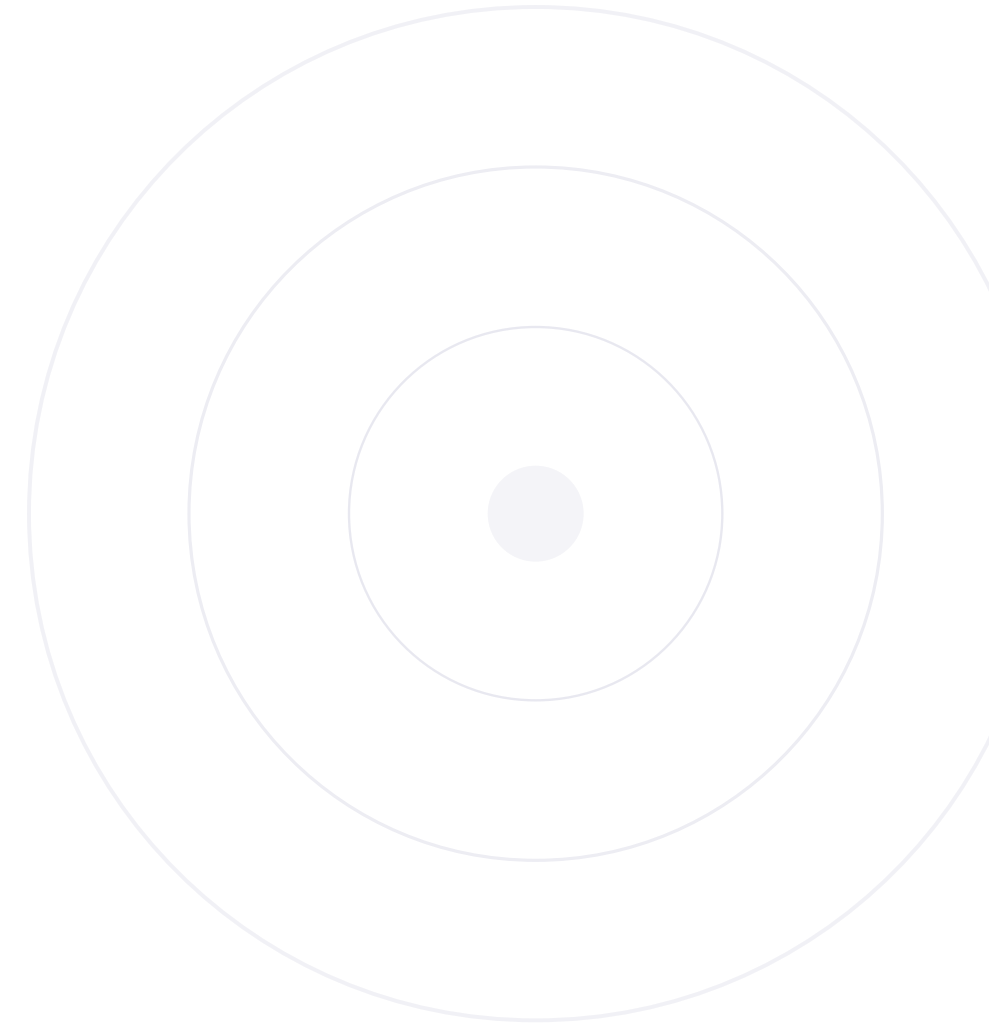

Healthcare Professionals

Hospitals & Institutions

Pharma & Biotech

B2B Companies

Patients

Healthcare Professionals

Doctolib

Managed comprehensive product marketing to doctors and practitioners, driving feature adoption and increasing user satisfaction across the platform.

DocCity

Led events, content strategy, and paid advertising for medical practice leasing.

Sofia Dev.

Directed a 10-person marketing team with €1M budget across 4 SaaS products: Albus, Topaze, Orthomax, ComptaSante. Full-time interim for 8 months.

Andrew

Built complete webinar acquisition engine from scratch, making it the #1 growth channel for reaching healthcare professionals.

Semble

Designed and delivered 2-day go-to-market workshop specifically tailored for French practitioners market.

Hospitals (Privates & Publics):

Navigating Complex B2B Healthcare Sales

Successfully reaching and closing deals with hospitals requires deep understanding of institutional decision-making, regulatory requirements, Interoperability and long sales cycles.

Doctolib

Key Account Manager for hospitals in Eastern France. Successfully closed major institutions including CHR Metz, CHRU Nancy, CH Colmar, and CH Mulhouse.

Kiro

Co-developed advanced diagnostic solution in strategic partnership with Hopital Americain de Paris, demonstrating clinical validation and market fit.

Pharma & Biotech: International scaling

Cherry Biotech

VP Marketing

Leading marketing strategy for cutting-edge organoids technology company:

- Executive branding and thought leadership
- GPT Organoid lead magnet development
- "Organoids Digest" newsletter launch
- Advanced scraping of pharma profiles and event speakers for personalized targeting campaigns

Sorcova Health

CEO — Personal Branding

Built strategic personal brand reaching 500,000+ scientists through targeted content and thought leadership:

- Viral content strategy for genomics research
- Brand platform development for stress biomarkers
- B2B GTM (10-day intensive sprint)

B2B Companies: Marketing Leadership That Delivers

Sorcova Health

Defined comprehensive brand platform and B2B go-to-market strategy for innovative stress biomarkers technology through focused 10-day strategic sprint.

- Brand architecture
- GTM framework
- 10-day sprint

HeyTeam

Chief Marketing Officer for HR tech startup. Led 4-person marketing team and managed €500K annual budget to reach HR Directors of major French corporations.

- Team leadership
- €500K budget
- HR Directors

Neok

Designed and implemented automated LinkedIn and email sequences targeting HR professionals for preventive cancer checkup programs (2-month sprint delivery).

- LinkedIn automation
- Email sequences
- 2-month sprint

Patient Engagement: B2C and B2B2C Strategies

Albus – B2C Strategy for Nurses

Comprehensive patient acquisition strategy:

- €300K paid advertising budget management across Facebook and Instagram
- Strategic influencer collaborations and partnerships
- Full agency management for content creation and paid campaigns
- Data-driven optimization and performance tracking

Dr Solene Vo Quang – Stomatology Clinic

Developed sophisticated B2B2C referral strategy to expand patient network through professional healthcare partnerships and strategic positioning.

Examples of collaborations

1h call

Office Hour

1 hour call to challenge your growth strategy and execution.

2 days

Strategy Workshop

2 days to challenge and refocus your marketing strategy. A short, high-impact format to review your roadmap, define priorities, and prepare your next semester.

3 months

Growth Sprint

3 months to build a sustainable acquisition machine. We set up your content and outbound system so it generates leads without me.

Long-term

Marketing Director

Long-term partnership to lead your marketing team. Hire an experienced healthcare Marketing Director to take over, manage your team, and scale operations.

WHAT CLIENTS SAY

“

Concrete growth results. Clement understands healthcare and knows how to scale.

Thomas Alston

DocCity

“

A pleasure to work with. Strategic thinking combined with hands-on execution.

Damien Zivanovic

Andrew

“

Fast, competent, and genuinely kind. Delivered beyond our expectations.

Marc Nasser

Waicah

“

Helped us solidify our marketing roadmap and focus on what matters most.

Arnaud Cutivet
